## LADIES AND GENTLEMEN: YOUR ATTENTION PLEASE!

Welcome to **Skin Shots International** – as regular readers will know, we're always on the look out for fantastic tattoos to feature in these pages and we've found some seriously great artwork that has made us sit up and pay attention.

We hope you enjoy the results as much as we did!

Talking of which – we'd like to step things up a gear in the future – both in **Skin Shots** and our big sister title, **Skin Deep**. To do this, we're hoping that our readership can help us by submitting more art than ever before. Any subject is welcome, all you have to do is make sure you're able to give us the best picture possible of your inked body once it has healed. Right now, we're especially interested in art that's never been seen before – really original top

quality work. If you think you fit the bill, follow the basic instructions below and leave the rest to us!

We're also stepping up our hunt for serious female collectors who believe they have enough ink to appear on the cover of Skin Shots International. If you think you've got what it takes and have a professional (or even semi-pro) portfolio, send in a sample or two and we'll get right back to you.

Andy Warhol once declared that everybody could be famous for 15 minutes, but we think we can do better than that – especially if you've got the ink to prove it.

Welcome to the show...

## GO ON... SHOW YOUR INK OFF!

We are always looking for Great Tattoos plus Superb Flash to put in Skin Shots International Magazine.

If you want to send us your work (it will be seen by thousands!) for possible publication here's how to do it:

- We accept colour prints or digital photos on a cd. (These must be at least 300 dpi in resolution and sized 100mm by 150mm).
- We do not accept computer printouts or negatives.
- Each photo must have the tattoo artist's name & studio on the back.
- We cannot return any photos so please keep copies for yourself.
- The address for your photos is:
